

Early and Late Season Firearm Antlerless Deer Hunting Units

Shaded Units Only in Lower Peninsula

Legend

- Open on Private Lands
- Closed including all areas not shown here
- DMU Boundary
- County Line
- Zone Line (Zone 1 is the Upper Peninsula, which is not shown here)

Dioxin Advisory Information

Health assessors from the Michigan Department of Community Health (MDCH) and Michigan Department of Natural Resources and Environment (DNRE) determined that samples of wild game taken in 2003, 2004 and 2007 from the floodplains of the Tittabawassee River and Saginaw River downstream of Midland contain high levels of dioxin and dioxin-like compounds. Wild game that have been tested include deer, turkey, cottontail rabbit, squirrel, wood duck and Canada goose. As a result, the MDCH advises that hunters and their families follow these recommendations related to deer:

- Do not eat the liver from deer harvested in or near the Tittabawassee River floodplain downstream of Midland. Eating liver taken from deer harvested in the floodplain of the Saginaw River is not likely to result in adverse health effects.
- Limit consumption of muscle meat from deer harvested in or near the floodplain of the Tittabawassee River downstream of Midland and in or near the floodplain of the Saginaw River. Women of childbearing age and children under the age of 15 should eat only one meal of deer muscle meat harvested in the floodplains per week. Trimming any visible fat will lower the level of dioxins in the cooked meat.
- Other wild game that have not been tested in this area may also contain dioxins at levels that are a concern. To reduce general dioxin exposure from other wild game, trim any visible fat from the meat before cooking, do not consume organ meats such as the liver or brains, and do not eat the skin.

For additional information regarding dioxin, dioxin-like compounds and wild-game advisories for the Tittabawassee River and Saginaw River floodplains, including a map of the area covered by these advisories, go to the MDCH website at www.michigan.gov/dioxin. As a reminder, Fish Consumption Advisories remain in effect for sport-caught fish from the Tittabawassee River south of Midland, the Saginaw River and the Saginaw Bay based on levels of dioxin and polychlorinated biphenyls. The Fish Consumption Advisory information is available at www.michigan.gov/fishandgameadvisory. If you eat several different kinds of wild-game as well as fish from the areas covered by the Wild Game and Fish Consumption Advisories, MDCH recommends that you eat these foods less often than suggested here to reduce your exposure to dioxin.

Authorizing Commercial Hunting Guides on State Land

The DNRE has determined that commercial hunting guides using state-owned lands require department oversight. Authorizing guiding activities on state land will be done in stages. In 2010, all commercial hunting guides utilizing state-owned lands must obtain a free Use Permit to help determine the scope and intensity of guiding. Public meetings will be held in 2010 to gather stakeholder input on the guidelines to be applied in the future. If you are a guide who utilizes state-owned lands, please visit the DNRE website at www.michigan.gov/statelandpermission or call the nearest DNRE Operations Service Center.

Kent County Mandatory Deer Check

All deer harvested in the Kent County townships of Algoma, Alpine, Cannon, Courtland, Nelson, Plainfield, Solon, Sparta and Tyrone must be taken to a DNRE deer check station located in these nine townships. Check the DNRE website at www.michigan.gov/hunting for the location and hours of operation for these check stations. All deer taken in these nine townships must have the deer's head submitted for Chronic Wasting Disease (CWD) testing. Antlers can be removed from bucks at the check station before the head is submitted.

An Important Message Regarding Bait

Hunters are prohibited from using bait for deer hunting in the Lower Peninsula. Bait also is prohibited in the Upper Peninsula during the special youth and 100 percent disabled veteran firearm deer hunting days in September. Check the 2010 Michigan Hunting and Trapping Digest or go to www.michigan.gov/hunting for a complete list of baiting regulations.

Turn in Your Deer Heads

We are asking that you turn in your deer's head at any DNRE office for free tuberculosis testing if you take a deer in any season in the following counties: Alcona, Alpena, Cheboygan, Emmet, Iosco, Montmorency, Oscoda, Presque Isle and Shiawassee.

Online Hunter Harvest Surveys

Accurate and complete information on hunting activity is vital for sound wildlife management. Hunters are encouraged to report their hunting activity online after the season has ended at www.michigan.gov/hunting. These surveys are the same as those traditionally mailed to randomly selected hunters. The online reporting option now allows all hunters to participate.

Special Antlerless Deer Seasons

Firearm antlerless deer hunts will take place in some Lower Peninsula DMUs on the following dates:

- Early Antlerless Deer Season: September 16 – 20, 2010
- Late Antlerless Deer Season: December 20 – January 1, 2010

Refer to the 2010 Early and Late Season Firearm Map for the DMUs included in the early and late antlerless deer seasons. Hunters must possess a private-land antlerless deer license issued for the DMU upon which they are hunting, or a Deer Management Assistance (DMA) permit valid for that DMU for the early and late antlerless seasons.

- NEW - Youth Early Antlerless Firearm Hunting Days: September 21 – 24, 2010
- The Youth Early Antlerless Firearm season will be open on all lands within DMU 486 and DMU 041 with the appropriate public- or private-land antlerless license or Deer Management Assistance (DMA) permit valid for that DMU.

Firearm, combination, archery and junior archery deer licenses are not valid for any of the above seasons. All hunters are required to wear hunter orange and must have permission from the landowner or leaseholder before hunting on private land. The telephone number of the private landowner is required to acquire a private-land antlerless deer license. Also see section below, "Firearm Hunting Rules for Youth Hunters."

Youth and 100 Percent Disabled Veteran Firearm Deer Hunting Days

A youth and 100 percent disabled veteran firearm deer hunt will take place on all lands in Michigan September 25-26, 2010. For youth 10 and 11 years old, valid licenses for this two-day hunt include a combination or antlerless license, and only archery equipment may be used. For youth 12-16 years old, and qualified veterans with disabilities, valid licenses include a combination, firearm or antlerless deer license. During this two-day hunt only, a firearm or combination license may be used for an antlered or antlerless deer. A Deer Management Assistance (DMA) permit may also be used to take one antlerless deer only, if issued for the area/land upon which hunting. Archery and junior archery deer licenses are not valid for this hunt. The bag limit for this season is one deer. Also see section below, "Firearm Hunting Rules for Youth Hunters."

A veteran who has been determined to have a 100 percent disability or is rated as individually unemployable by the U.S. Department of Veteran Affairs may participate in this hunt. Documentation from the Veterans Administration shall be in the possession of a veteran participating in this hunt. All hunters are required to wear hunter orange and must have permission from the landowner or leaseholder before hunting on private land. The telephone number of the private landowner is required to acquire a private-land antlerless deer license. Note: antler point restrictions do not apply to the youth and 100 percent disabled veteran season.

Firearm Hunting Rules for Youth Hunters

The following restrictions apply to youth hunters who participate in any firearm deer season:

- Youths 10-11 years of age during the firearm seasons are limited to archery-only equipment, using an antlerless or combination license as appropriate for the given season. Archery and junior archery licenses are valid only for the archery seasons.
- Youths 12-13 years of age may hunt with a firearm only on private land and Commercial Forest Land (a public-land antlerless deer license is required to hunt antlerless deer on Commercial Forest land).
- All hunters under age 17 must be accompanied by a parent, guardian or someone 18 or older designated by their parent or guardian.
- All hunters participating in a firearm season must wear hunter orange.
- For all youth-only firearm deer seasons, an adult accompanying a youth firearm deer hunter cannot possess or carry a firearm, crossbow, or bow and arrow, except if the adult is a veteran with 100 percent disability. The adult accompanying the youth must have a deer hunting license if the youth is an apprentice hunter (see Apprentice Hunting License).

Apprentice Hunting License

A person who does not have a hunter safety certificate may purchase an apprentice hunting license. An apprentice hunter may purchase this license for two license years before he or she must successfully complete a hunter safety course. The apprentice hunting license is available to residents and nonresidents. Apprentice hunters under age 17, when afield, must be accompanied by a parent, guardian or someone 21 or older designated by their parent or guardian. This individual must possess a valid, regular hunting license to hunt the same game as the apprentice hunter. "Accompanied by" requires the adult to be able to come to the immediate aid of the other person and stay within a distance from the apprentice that permits uninterrupted, unaided visual and verbal contact. Apprentice hunters 17 and older, when afield, must be accompanied by someone 21 or older who possesses a valid regular hunting license to hunt the same game as the apprentice hunter. A person may accompany no more than two apprentice hunters while hunting.

Tagging Option for Antlerless Deer Hunters

Antlerless deer hunters with an unused license valid for an antlered deer and an unused antlerless deer license for the DMU in which they are hunting may tag a male antlerless deer with an antlered deer license kill tag. A male antlerless deer, often called a "button buck," means a deer with antlers where the longest antler extends less than three inches above the skull.

Have YOU applied for the PURE MICHIGAN HUNT?

Don't miss out on the hunt of a lifetime! Here is your chance to hunt for elk, bear, spring and fall wild turkey, and antlerless deer in Michigan. The hunts can occur during any open season for each species, plus an opening day reserved hunt at managed waterfowl areas. Apply today for the 2011 Pure Michigan Hunt. Three winners will be drawn in January 2011.

Applications are accepted March 1 – December 31, 2010. It is only \$4 to apply, and you may apply as many times as you like. Applicants selected for the Pure Michigan Hunt will not lose any preference points or weighted advantages for future limited-access hunts.

Apply at any license agent or online TODAY.
For more information, check out www.michigan.gov/puremichiganhunt.

Drawing results will be posted at www.michigan.gov/huntdrawings on September 1.

Antlerless Deer Hunting License

This license entitles residents and nonresidents 10 and older to take an antlerless deer or a deer with antlers less than three inches in length within the deer management unit specified on the license. There are two types of antlerless deer hunting licenses: public-land and private-land.

- A public-land antlerless deer hunting license is valid for taking antlerless deer from public lands (including state, federal and county lands) open to hunting within the deer management unit (DMU) specified on the license or on lands within the DMU that are enrolled as Commercial Forest lands.

- A private-land antlerless deer hunting license is valid only for taking antlerless deer from any privately owned lands within the deer management unit specified on the license with permission of the landowner. To purchase a private-land antlerless license, the phone number of the landowner is required. A private-land license is not valid on public or Commercial Forest lands.

Antlerless deer licenses are valid during all deer seasons with hunting equipment appropriate for the season and hunting zone. The antlerless deer license is a standard-appearing hunting license. No additional license is necessary to be legally afield. It is illegal to use an antlerless deer license to tag a deer with antlers three inches or more in length.

Youngsters age 10 and 11 are restricted to archery-only equipment. Youngsters age 12 and 13 may hunt with a firearm or crossbow only on private land and Commercial Forest land. All hunters wishing to hunt antlerless deer with a firearm or crossbow on public land or Commercial Forest land must have a public-land antlerless license.

For additional details, see the map and related information inside this digest.

REPORT ALL POACHING
Call: 800-292-7800

The Department of Natural Resources and Environment is committed to the conservation, protection, management, and accessible use and enjoyment of the state's environment, natural resources, and related economic interests for current and future generations.

The Natural Resources Commission provides a strategic framework for the DNRE to effectively manage the State's natural resources. The NRC works closely with a broad cross-section of constituents to advise the DNRE on continuous improvement of resource management policy.

Thank you for purchasing a Michigan hunting license. Your hunting license dollars help restore and improve habitats for wildlife species, advance research on wildlife and wildlife-borne diseases, foster programs that help ensure access for public hunting, support hunter safety education and much more. We encourage you to keep hunting and to share your experiences with others. In doing so, you can do your part to keep our state's hunting heritage alive for future generations.

The Federal Aid in Wildlife Restoration Act places an excise tax on firearms, handguns, ammunition and archery equipment. The U.S. Fish and Wildlife Service apportions these funds to state wildlife agencies to be used for wildlife management, research, habitat acquisition, game area and shooting range development and hunter education. Since its inception in 1937, Michigan's share of the Wildlife Restoration funds has reached almost \$150 million.

The Michigan Department of Natural Resources and Environment provides equal opportunities for employment and access to Michigan's natural resources. Both state and federal laws prohibit discrimination on the basis of race, color, national origin, religion, disability, age, sex, height, weight or marital status under the Civil Rights Acts of 1964 as amended (MI PA 453 and MI PA 220, Title V of the Rehabilitation Act of 1973 as amended, and the Americans with Disabilities Act). If you believe that you have been discriminated against in any program, activity, or facility, or if you desire additional information, please write: Human Resources, Michigan Department of Natural Resources and Environment, P.O. Box 30028, Lansing, MI 48909-7528 or the Michigan Department of Civil Rights, Cadillac Place, Suite 3-600, 3054 W. Grand Blvd., Detroit, MI 48202 or the Division of Federal Assistance, U.S. Fish and Wildlife Service, 4401 North Fairfax Drive, Mail Stop MBSP-4020, Arlington, VA 22203.

How to Obtain an Antlerless Deer License

A limited number of antlerless deer hunting licenses are available for many deer management units (DMUs) for private-land and public-land hunting. Licenses are distributed through an application and drawing; licenses that remain after the drawing will be sold until the quota is met for each DMU. In some DMUs, private-land licenses are available only over the counter (without application). **Hunters may apply for a license through the drawing, or wait to purchase licenses after the drawing, if available.** See map inside for details.

Application Information

You may apply for a license at any authorized license agent, DNRE Operations Service Center or online at www.michigan.gov/huntdrawings. It costs \$4 to apply.

You will need one of the following forms of customer identification:

- Valid Michigan driver's license
- State of Michigan ID card (issued by the Secretary of State)
- DNRE Sportcard (issued through license agents or at www.michigan.gov/huntdrawings.)

You must be at least 10 years old by the time a license is purchased.

You may submit a single application only, either for a public-land or private-land license (not both). When applying for a private-land antlerless license, the telephone number of the private landowner is required.

You are responsible for obtaining a DNRE application receipt that states your customer ID and hunt choice. **Check the receipt for accuracy and retain as proof of application. Ensure any application errors are corrected prior to the application deadline. Do not accept a receipt that is not legible.**

Applicants who submit an invalid application will be ineligible for the drawing.

You are responsible for obtaining your drawing results online at www.michigan.gov/huntdrawings. Applicants will not be notified by mail.

For application assistance, call 517-373-1263.

IMPORTANT: It is your responsibility to check your application receipt for accuracy.

2010 MICHIGAN ANTLERLESS DEER HUNTING DIGEST

Application Period July 15–August 15, 2010
Apply online at www.michigan.gov/huntdrawings

Important Changes

- Private-land licenses are no longer available for individual DMUs within DMU 486 and DMU 487.
- Hunters may purchase up to five private-land licenses per day in DMU 041, DMU 452, DMU 486 and DMU 487 with no season limit.
- Combination and firearm deer licenses can be used to harvest antlerless and antlered deer in DMU 487.
- Expanded youth season: early antlerless hunting in DMU 041 and DMU 486.

Antlerless Deer License Quotas

Antlerless deer license quotas were not available at the time this digest was printed. An antlerless license quota is established based on the management objectives for each DMU. Antlerless quotas are available on the DNRE website at www.michigan.gov/hunting.

Multi-County Antlerless Deer Licenses

For 2010, multi-county private-land licenses will be available in DMU 486 and 487. Private-land licenses are no longer available for individual DMUs within DMU 486 and 487. Public-land licenses are available for **individual DMUs** within DMU 486 and 487.

DMU 486 is a multi-county DMU created to facilitate antlerless deer harvest in the southern Lower Peninsula (see map). A private-land antlerless deer license for DMU 486 is valid, with the landowner's permission, for private-land hunting in DMUs 003, 008, 009, 011, 012, 013, 014, 019, 023, 025, 029, 030, 032, 033, 034, 037, 038, 039, 044, 046, 047, 054, 056, 059, 061, 063, 070, 073, 075, 076, 078, 079, 080, 081, 162 and 173. **Note: DMU 041 (Kent County) is NOT included in DMU 486.**

DMU 487 is a multi-county DMU created to address bovine tuberculosis in the deer herd in the northeast Lower Peninsula (see map). A private-land antlerless deer license for DMU 487 is valid, with the landowner's permission, for private land hunting in DMUs 001, 004, 035, 060, 068, 071, 135 and 452. A combination or firearm deer license can be used to harvest antlerless or antlered deer in DMU 487.

License Purchase

If you are selected in the drawing or wish to purchase a private-land license without application or a leftover license, you may purchase your hunting license online at www.michigan.gov/huntdrawings or from any license agent. The telephone number of the private landowner is required.

All licenses must be signed to be valid. Your signature on the license certifies that you meet applicable residency and hunter-safety requirements to purchase a Michigan hunting license.

Make sure the information on your license is accurate. Licenses may not be altered or transferred.

Antlerless Deer License Options

Item No.	Item No.	Name	Cost
Regular	Apprentice		
150		Public-Land Application	\$ 4.00
151	642	Resident Public-Land License	\$ 15.00
152	643	Nonresident Public-Land License	\$138.00
153	644	Junior License	\$ 15.00
154	645	Resident OTC Public-Land License	\$ 15.00
155	646	Nonresident OTC Public-Land License	\$138.00

450		Private-Land Application	\$ 4.00
451	665	Resident Private-Land License	\$ 15.00
452	666	Nonresident Private- Land License	\$138.00
453	667	Resident OTC Private-Land License	\$ 15.00
454	668	Nonresident OTC Private-Land License	\$138.00

OTC = Over the counter (no application required)

Antlerless Deer License Fees

Hunting license fees are established by the Legislature. The DNRE has authority to discount antlerless deer licenses. **In 2010, antlerless deer licenses will be discounted 40 percent in DMUs 001, 004, 035, 060, 068, 071, 135, 452 and 487 where bovine tuberculosis has been documented in the northeast Lower Peninsula, and in Kent County (DMU 041) where chronic wasting disease has been documented.**

NOTE: Individuals who purchase a license online will receive the license by mail within seven days. If you do not receive your license, contact customer service at (517) 373-1204.

Leftover Licenses

After the drawing, leftover antlerless deer licenses will be sold on a first-come, first-served basis beginning September 10 at 10 a.m. Licenses will be sold until the quota is met in each DMU.

Antlerless Deer License Purchase Limits (Per Hunter)

Licenses will be sold until the quota is met in each DMU.

Daily Purchase Limit

Private-land in DMUs 486, 487 and 041	5 licenses per day*
Public-land in DMU 452 and 041	
All other antlerless licenses	2 licenses per day*

*In total, no more than 5 licenses per day may be purchased statewide.

Season Purchase Limit

Public land statewide	No limit
Private land DMUs 486, 487, 041	No limit
Private land in all other DMUs	5 licenses, with no more than 2 licenses combined for DMUs in Zone 1 and DMUs entirely within Zone 2 (excluding DMU 487)

Junior Antlerless Deer Hunting Licenses

Young hunters, ages nine to 16, may purchase one junior antlerless deer license over the counter July 15 through August 15; however, a nine-year-old must be 10 by September 16, 2010 to purchase this license. No application fee or drawing is required. This license is available only in Deer Management Units (DMUs) with a quota for antlerless licenses. This license may be purchased for either public land or private land, not both. A youth must appear in person with a parent or guardian to purchase the Junior Antlerless Deer Hunting License. Youngsters 10 and 11 are restricted to archery-only hunting. Nonresidents, ages 10 to 16, are allowed to purchase resident licenses.

Private-land licenses for DMUs shaded green go on sale Sept. 10 at 10 a.m.

NOTICE: This brochure is not a legal notice, nor a complete collection of hunting regulations and laws. It is a condensed guide issued for hunters' convenience. Copies of wildlife conservation orders can be obtained from our website, www.michigan.gov/dnre.

How to Apply

1. Select a DMU from the hunt table.
 - If applying for a public-land antlerless deer license, an application is recommended.* Public-land licenses are only available in some DMUs, as indicated in the hunt table.
 - If applying for a private-land antlerless deer license in DMUs shaded in purple on the map, an application is recommended.*
 - Private-land licenses for DMUs shaded in green may be purchased without application beginning September 10 at 10:00 a.m. EDT.
2. Complete the Antlerless Deer Application Worksheet.
3. Apply online at www.michigan.gov/huntdrawings or at any license agent.
You may apply for either a private-land antlerless license or a public-land antlerless license —not both.
4. Check your application receipt. Retain receipt as proof of application.

*Hunters may apply for an antlerless license or wait to purchase a leftover license after the drawing, if available. Licenses will be sold until the quota is met for each DMU. *There is no guarantee leftover licenses will be available at any DMU.*

NOTE: It is unlawful to apply for more than one antlerless deer license. If you are selected in the drawing, **your drawing success authorizes you to purchase only one antlerless license.** This does not preclude you from purchasing remaining licenses after the drawing, if available, within the daily and seasonal limits noted in this digest.

Hunt Table

Check out www.michigan.gov/hunting for antlerless quota information.

X = Antlerless licenses available.

■ = Special deer hunts. Licenses for these DMUs are available on a local basis. See "Special Deer Hunts" in the 2010 Michigan Hunting and Trapping Digest or contact the local DNRE office for application information. The information also is available on the DNRE website at www.michigan.gov/hunting.

NOTE: Only public-land antlerless licenses are valid on Commercial Forest lands. If you plan to hunt during the firearm or muzzleloader season for an antlerless deer on Commercial Forest land, you must have a public-land antlerless license for that DMU.

Antlerless Deer License Application Worksheet

You will be asked for the following information when applying:

1. Your birth date? _____/_____/_____
2. Customer ID number? Michigan driver's license, State of Michigan ID card, or DNRE Sportcard
3. Application item type? See map or hunt table for DMU number.

DMU number	150 Public Land Application	1 _____ Enter last three digits
DMU number	450 Private Land Application	2 _____ Enter last three digits

(See map or table for DMU number)
- 4.If applying for a private-land license, the telephone number of the private landowner is required.

Deer Hunting Seasons

Antlerless deer licenses are valid during all deer seasons with hunting equipment appropriate for the season and hunting zone.

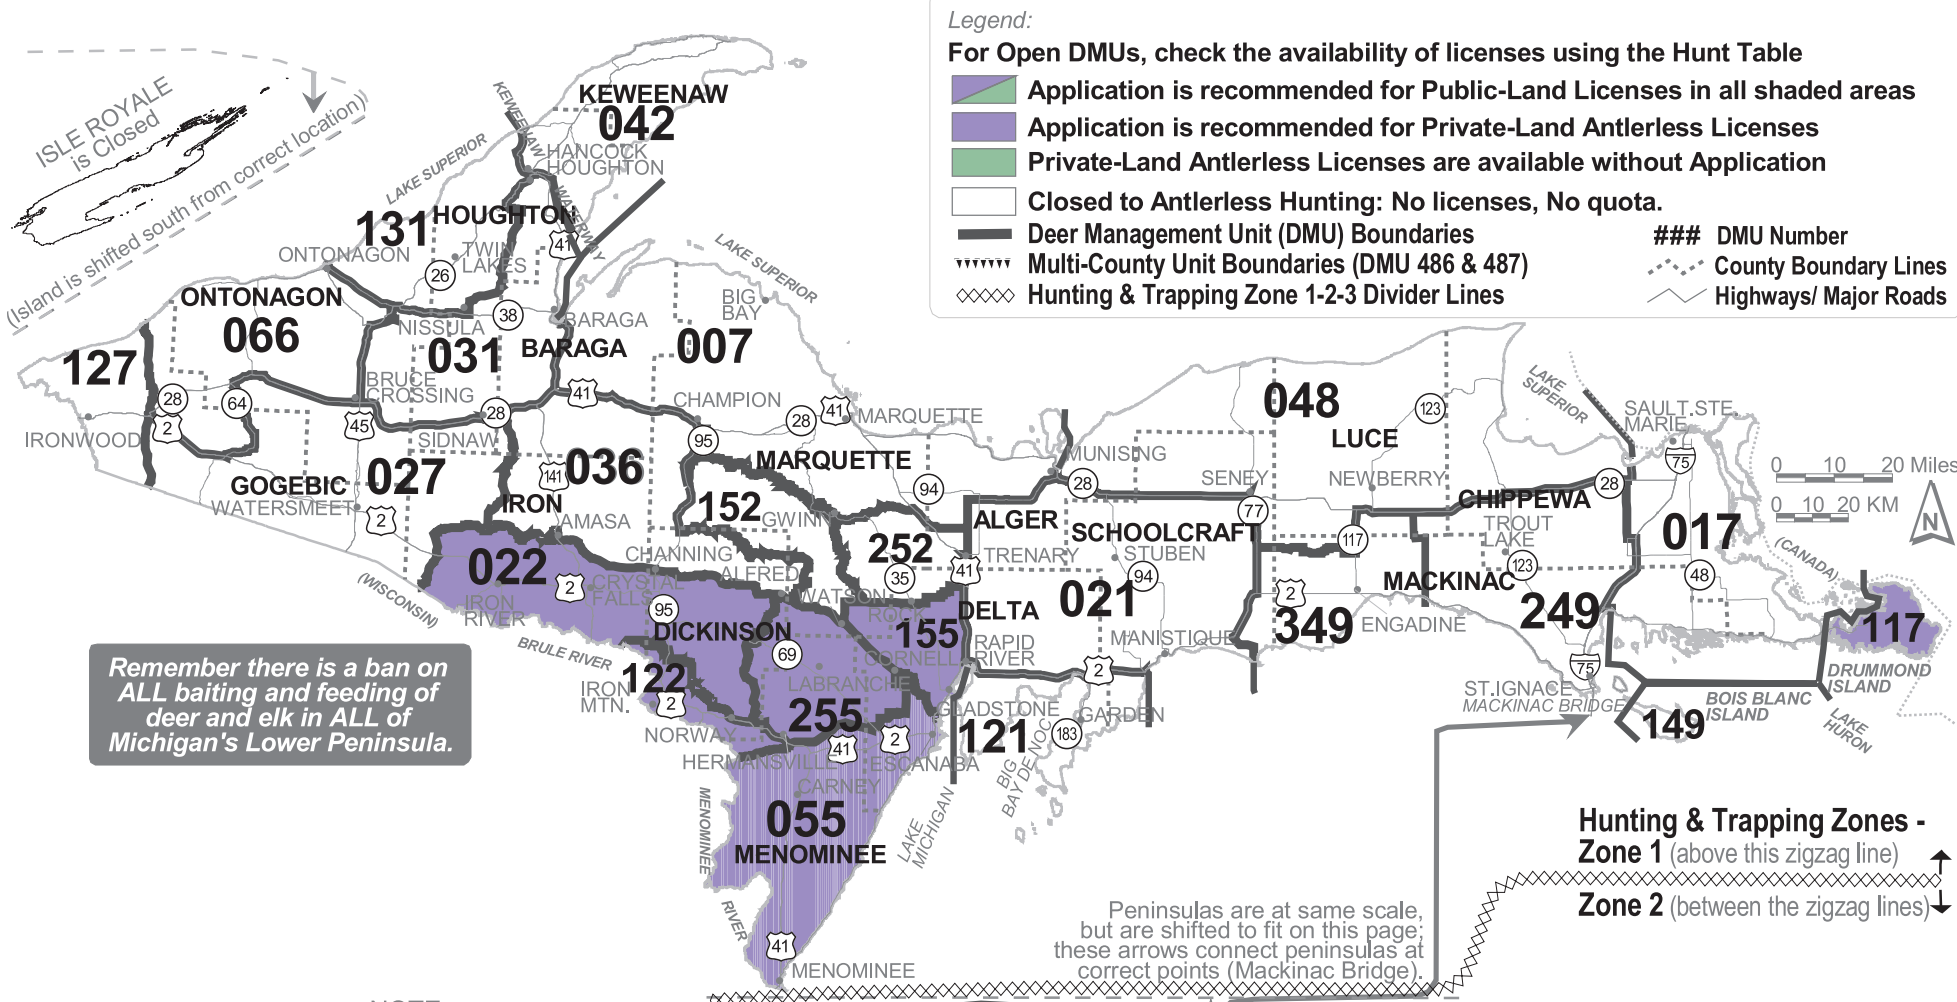

Season	Location	Season Dates
Early Antlerless Firearm*	Private land in select DMUs	Sept. 16-20
Youth Early Antlerless Firearm	DMU 486** & DMU 041	Sept. 21-24
Youth & 100% Disabled Veterans Hunt	Statewide	Sept. 25-26

2010 Antlerless Deer Hunting Units

Shaded Units Only

Unshaded areas, and areas not shown on this map, are closed to all antlerless deer hunting.

NOTE: The official and legal hunt unit boundaries are those as defined in the Michigan Wildlife Conservation Order (online, under section "Laws and Legislation"). For these and other details, contact a DNRE Operations Service Center or go online to www.michigan.gov/hunting.

For more local geographic details than those provided on these maps, use:

- The latest MDOT transportation map
- DNRE county maps provided online (called "Public Hunting Land Maps")
- The new DNRE online interactive mapping tool Mi-HUNT online at www.michigan.gov/mihunt

Unit 486 is a Multi-County Unit

which includes the gray shaded areas below the "triangle" line, *excluding* these counties:

- Kent (DMU 041),
- St. Clair (DMUs 074 and 174),
- Macomb (DMU 082),
- Wayne (DMU 082),
- Monroe (DMU 058).

Unit 487 is a Multi-County Unit

which includes those gray shaded counties to the right of the "triangle" line.

Have You Seen MI-HUNT? www.michigan.gov/mihunt

The Michigan DNRE offers a new leading-edge, interactive Web application that helps you plan your hunting, trapping or other outdoor recreation adventures. Mi-HUNT provides access to public hunting land details, and a wide variety of land data, maps, aerial images and other resources. It can help you explore hunt areas, get weather information and forecast reports, print custom maps and directions, use your GPS data, link to local offices and local yellow-pages services, plus much more! Try Mi-HUNT online at www.michigan.gov/mihunt.
